## President's Message . . .

2020 has been a year of change for all of us. Most of us have not danced since early Spring and the forecast for dancing in the future is uncertain. However, square dancers are resilient and will look forward to dancing in 2021.

Your Georgia State Square Dancers Association (GSSDA) Board continues to work making plans for 2021. 2020 has made all of us aware that we really enjoy dancing and dancing is part of our life.

**Volunteer in 2021!** *Clubs, Federations, and GSSDA need volunteers.* Now is a great time to talk with your friends and family about taking lessons in 2021 or maybe they have dropped out of dancing for a while. Invite them back to the club. If your club is not holding classes and growing, your club is dying. Are you doing your part to grow your club?

The GSSDA Board needs members, would you step forward? Please contact us for details, the State activities do not just happen. Our volunteers make the Georgia Dance Programs successful.

# The United Square Dancers of America's Social Media Committee

Proudly Introduces Our New *Zoom* Series

## *Beyond the Dance Floor*

**Dancing** — We all miss dancing! The great news is, as a community we've been adapting to "the new normal". It's been wonderful to see callers and cuers set up virtual dance events. Online groups have been set up to discuss returning to dancing and what precautions need to be taken. IAGSDC even transitioned their International Convention into a "home edition" with virtual dancing and live online activities. Happily, in some areas of the country, clubs are cautiously and carefully beginning to dance again, but there is still more to do.

The **United Square Dancers of America** — USDA — your National dancers' organization, is excited to introduce a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs will be used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they aren't able to get together on the dance floor.

**Beyond The Dance Floor** – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapped programs – this series is designed to help groups across the country build and grow your clubs.

**Workshops** are scheduled to last 90-minutes to allow plenty of time for questions & answers, plus we will welcome input from participants. Our first workshop launches on Saturday, October 10th and our complete schedule is listed on the subsequent pages.

Watch your email, our website and Facebook for links to the actual, **FREE** workshops.

## Lee Dixon Retires After 57 Years

At age 89, Lee Dixon has accomplished many goals in his life. Lee married his lovely, devoted wife, Bobbie, and joined the United States Air Force in 1951. He was stationed in Okinawa, Japan and later in Vietnam. He was not only proud of his service to his country, but also of becoming a square dance caller both in and out of service.

Lee has called square dancing 57 years. He started calling in 1963 for The Kat Kickers Club in Valdosta, Georgia. While stationed in Japan, he called for The Rice Paddy Promenaders. He also called for clubs in Ohio, Kentucky and North Dakota.

Many Georgia towns were among his endeavors as a caller including Alamo, Cochran, Eastman, Macon (Pairs & Spares), McRae, Warner Robins (Robins Ramblers), Dublin (Irish Reelers). Also, as a guest caller, Lee visited Jekyll Island (The Jekyll Island Jamborees).

Lee Dixon has been calling for the Irish Reelers Square Dance Club since 1985 until the Covid-19 pandemic put square dancing on hold in early March 2020. He called for our club from 1985 into 2020, an amazing 35 years.

Lee and Bobbie have been truly dedicated to our club as well as to each other. They have been inspiring to our members through all of their years with us. We love, respect, and appreciate their lasting friendship as well as dedication. They both will be missed greatly!

*Lee and Bobbie - from our whole hearts, we wish you the absolute best in the future. We will never forget either of you. May God bless and watch over you as we all go forward.*

With all our love,

**Dee and Pat Padgett (Presidents)  
And the Irish Reelers**

**Due: 12/1/2020**

## 2021 GSSDA Insurance Program for Clubs and Dancers

**We know it has been a difficult spring and summer for square dancing. We all look forward to restarting our club dances and enjoying dancing soon. It's time to renew your USDA Accident & Liability Insurance coverage for 2021. Renewal and funds are due to USDA by December 1, 2020.**

### **Protection Includes Accident & Liability Coverage**

Although safety rules are closely followed, accidents will happen. Accident & Liability Insurance helps protect club members from financial loss due to a covered accidental bodily injury. Liability insurance protects the club and its members and association officials from financial loss due to unforeseen incidents which may develop into litigation against members and dance organizations.

### **Eligibility, Premium & Policy Term**

Dancers of GSSDA member clubs are eligible for USDA insurance at the current price rate of \$4.85 per person per year with a minimum rate of \$45.00 per club. 100% of a club's membership must be covered by this policy for it to become effective. The insurance policy runs from January 1st to December 31st. **People belonging to more than one club need to pay only one fee and will be covered while dancing at any other club's sponsored dances.** This policy does not cover callers/cuers or their equipment while they are calling/cueing. The policy does cover callers/cuers if they are dancing to another caller/cuer and they are included on the club roster and the club member rate has been paid. A summary of coverage can be viewed at [USDA.org](http://USDA.org).

**All clubs must pay Annual Management dues of \$20.00 to GSSDA before enrolling their club for 2021 coverage. GSSDA Membership Form on GSSDA website [www.gssda.org](http://www.gssda.org)**

## Answers to Your Insurance Questions

**1. Will our insurance cover dancers who have contracted the COVID-19 virus?**

**NO.** Our insurance is for medical benefits associated with an accident at any regularly scheduled and sponsored activity. The USDA insurance has never covered any type of virus.

**2. If our state has said NO public gatherings will our insurance cover our dances?**

**NO.** If your state says **NO** public gatherings and your club meets then the law has been broken and there is no coverage. However, if your state is opened for public gatherings and allowing groups to gather and the clubs are following CDC guidelines, then your club would be covered.

**3. If someone sues?**

When a dancer sues the club and/or club officers, that dancer will have to complete a claim. The claim will be submitted to the insurance company. The insurance company will then oversee the claim. **NO LONGER** will the club have any involvement with the lawsuit. The insurance company and their team of lawyers will handle it.

**4. Are visitors insured?**

Yes and No. If the visitor is a member of another club which is a member of the USDA Insurance program the answer is Yes. If the visitor is not a member of any club or is a member of a club that does not participate in the USDA Insurance program the answer is No. The club should still complete an accident form and keep it on file.

**5. Are Students covered by our insurance?**

Students are covered for nine months of instruction. After nine (9) months they are no longer insured. When they join the club the insurance fee must be submitted to your insurance chairperson. The rate is not prorated. If they join in December, then they still pay the full amount.

**NOTE:** Due to the COVID-19 virus the insurance company will acknowledge that there is a break in the 9-month instruction period. The total combined number of weeks of instruction should not exceed 9 months.

**6. Accident Claims:**

Please have accident forms at all dances. Complete the form for all accidents and submit to your insurance chairperson. Complete the accident form on all dancers whether they are a member of your club or not.

**7. Insurance Portal:**

Each affiliate must decide how they want the club's information entered in the insurance portal. (1) The clubs can enter all information and submit the enrollment fee plus the club's roster to the affiliate insurance coordinator. OR (2) The clubs can send all enrollment forms plus enrollment fee (this is the same way it was done before the insurance portal) to the affiliate insurance coordinator, then the insurance coordinator would enter all information for all the clubs in the insurance portal.
