June 2024

Welcome **JUNE**
may you scatter blessings
of health, happiness and
prosperity to all.

President's Note

I hope that all our mothers had a wonderful Mother's Day! The remainder of May is usually filled with graduations and youth sports, making for a busy month. Remember the GSSGA Spring Sashay in Rome at the end of May and start of June. There are some local clubs dancing, too, so please check the MASDA webpage for those dates at MASDA.net.

When we are asked "Why is Square Dance a good activity?" most of us will automatically answer that it's great exercise. Some will say square dancing is a good social activity. Square dancing allows us to meet and become friends with other dancers. But very rarely do we say that square dancing keeps us mentally alert.

To give the dancers both exercise and a mental stretch, the caller needs to put some challenging calls into the dance choreography. There are too many dancers that get agitated and upset, when a caller adds a call that they aren't familiar with and they really have to think about the call. Not only does a caller want to give us that good exercise, but also that brain challenge with a wide variety of calls. Why should we spend time in class learning 70 Mainstream calls and 30 Plus calls if we don't want the caller to use them all in the dance figures? Let's enjoy our social activity that gives us good exercise and helps keep us mentally sharp.

See you in a Square soon!
Bill and Julie
